Help Us Cross the Finish Line for Our New Gym Floor!

Dear St. Patrick Families,

We hope this message finds you well and filled with the same sense of community and pride that has always made St. Patrick Parish and School so special.

On **November 8th**, our annual **Auction** was a wonderful success! The evening was filled with joy, friendship, and generosity. Thanks to the incredible support of our parish and school families, we raised significant funds toward our **Fund-A-Need project: a much-needed new gym floor**.

As many of you know, our gym has been the heart of so many memories over the years — from basketball games and Christmas programs to school assemblies and community gatherings. Generations of students, including your own children, have played, learned, and celebrated there.

The good news is: **we are very close to reaching our goal**. With just a bit more support, we can fully fund the installation of a safe, high-quality gym floor that will serve our children and future generations for years to come.

Would you consider joining us in bringing this long-awaited project across the finish line? Every gift — large or small — makes a meaningful difference.

Donations can be made online at <https://www.shelbygiving.com/app/giving/stpatrickkcmo> (choose Gym Floor Renovation under the fund choices), by check to St. Patrick Parish, or by contacting Dana Nolan, Finance Manager at (816) 648 - 2829.

Thank you for the love, faith, and commitment you continue to show our parish and school community. Together, we can make this dream a reality!

With gratitude,
